

## **Associate membership**

### **CBCC vision**

*'To deliver value to members and companies/individuals seeking support and advice from the Chamber'*

### **CBCC objectives are to**

- promote the development of Czech and UK economic relations;
- provide a platform for the Czech and British business communities to network and develop their business and common interests;
- promote awareness of the business, commercial, industrial and professional expertise of its members;
- provide business and professional guidance or support, where applicable, to its members or Czech companies considering doing business in the UK/British companies looking to invest in the Czech Republic.

### **Who is an associate:**

An individual with some interest in the Czech Republic attending related courses at British higher education establishments, therefore effectively a student.

### **Benefits:**

By becoming a CBCC member you will:

- have the opportunity to network at premium events and develop diplomatic, trade and investment contacts;
- participate in keynote speak events and seminars on current topics.

### **Membership fees:**

- annual fee of £10

For any enquiries related to associate membership, please contact [marek@cbcc.org.uk](mailto:marek@cbcc.org.uk).
