

Individual membership

CBCC vision

'To deliver value to members and companies/individuals seeking support and advice from the Chamber'

CBCC objectives are to

- promote the development of Czech and UK economic relations;
- provide a platform for the Czech and British business communities to network and develop their business and common interests;
- promote awareness of the business, commercial, industrial and professional expertise of its members;
- provide business and professional guidance or support, where applicable, to its members or Czech companies considering doing business in the UK/British companies looking to invest in the Czech Republic.

Benefits:

By becoming a CBCC member you will:

- have the opportunity to network at premium events and develop diplomatic, trade and investment contacts;
- participate in keynote speak events and seminars on current topics.

As an individual member, you have the opportunity to:

- attend CBCC events;
- be interviewed for/featured on the CBCC website;
- be listed on the website as a CBCC member;
- access to contact details of other members on a member-only site.
